

913 NW 3rd Street, Abilene, Kansas

The house located at 913 N. W 3rd Street in Abilene, Kansas was built in 1887 by J. W. Felty. This information is based on the Tax records which show the valuation of Lots 132, 134, 136 and 138 in 1887 was \$280 while in 1888 the valuation of Lot 136 and the west 15 feet of Lot 134 was \$725. The deed, dated September 3, 1887, shows J. W. Felty purchased the property from C. H. Lebold.

An article in *The Evening Reflector*, January 19, 1888, states "Dr. Felty and family yesterday moved into their new residence on West Third Street. The Doctor's office is now located over the palace drug store."

The 1886 Abilene City Directory shows Dr. Felty was a physician and surgeon with his offices and residence at 35 Buckeye Avenue. There are no directories again until 1906 when R. B. and Sarah F. Briney are listed as living at 913 NW 3rd Street.

The 1895 Kansas State Census shows J. W. (35), Lizzie (32) and Hazel (6) Felty living in Abilene.

J. W. Felty was a medical doctor receiving his medical training at the Jefferson Medical College in Philadelphia, PA. At the time of his death in 1933 in Hartford, Connecticut, he was a past president of the Hartford Medical Society and was also a member of the Connecticut State Medical Society and the American College of Surgeons. He had practiced medicine in Abilene for about 17 years before moving back east. He had practiced for over 30 years retiring just 5 years before his death.

In March 1904, Dr. Felty sold the property to R. B. Briney. It is believed that at this time he moved to Hartford, Connecticut.

In October 1931 Louise (now widowed) sold the property to B. L. Callahan.

B. L. (Jonah) was mayor of Abilene from 1933 until 1939. He was known as "Abilene's Cowboy Mayor". For many years he operated a bicycle shop on north Broadway and later owned Callahan's Confectionery store. He died in 1956.

Rosalyn Tempa Unruh and her husband purchased the property in May 1940 retaining ownership until 1943 when they sold the property to George W. O'Dell. We are unable to find out anything about the Unruh's.

In 1944 George W. O'Dell and wife sold to Iva S. and Ethel Whitworth. Ivan spent his adult life in the Abilene community where he owned and operated the Whitworth Market on Cedar Street for thirty years and, following the sale of that business, he was active in raising Shetland ponies and in selling real estate, maintaining an office at 3rd and Broadway.

In 1950 the Whitworth's sold to Robert (son of Ivan and Ethel) and Jean Ann Whitworth. Robert graduated from Abilene High School and was the first "Cowboy Joe". He worked for the Chamber of Commerce in Abilene, Ponca City, Salina and Ottawa before moving back to Abilene. He served in WW II in Germany.

913 NW 3rd Street, Abilene, Kansas

In 1953 the property changed hands (back to Ivan and Ethel Whitworth, then in 1956 back to Robert Whitworth and others). Then in 1964 Robert and others sold the property to Charles E. Walton and others who in 1972 sold the property to William H. Webster and Margaret Zoe. William was an ordained minister in the Presbyterian Church. He served as a member of the various Synods and Presbyteries as well as a commissioner to the General Assembly of the Presbyterian Church (USA). He served in Presbyterian churches in Missouri, Kansas, Wyoming and Idaho, including the First Presbyterian Church in Abilene.

In 1980 William and Margaret sold the property to Donald K. and Diana M. McBride who retained ownership until 1992 when they sold the property to Donald M. and Janet S. Hedden. Donald McBride was a pharmaceutical salesman and Diana was a teacher at the Abilene High School. Donald Hedden was a repertory therapist.

In 1998 Donald and Janet sold the property to Leonard T. and Judy F. Robinson, who the following year, 1999, sold the property to Gregory and Francoise Monty. Gregory was a pilot in the US Army.

In 2004 Ruth A. McCurry purchased the property. Ruth married Michael S. Estes and in 2012 they sold the property to David B. and Jennifer A. Dillner, who are the current owners. David is the current Abilene City Manager.

(Note: The Historic Homes of Abilene book states this house was built by Theo Moser in 1886. No where on any of the records does Mr. Moser appear. The book referred to, *Abilene A Gem*, was published as a promotional item and has several "errors".)

THE UNITED STATES OF AMERICA.

TO all to whom these presents shall come, Greeting:

Surveyor General's Certificate No., 226 T. T. T. for 80 acres, Act of June, 2d, 1858.

Whereas, by the Act of Congress, approved June, 2d, 1858, providing for "the location of certain confirmed private land claims in the State of Missouri, and for other purposes," it is declared "that in all cases of confirmation by this act, or where any private land claim has been confirmed by Congress, and the same, in whole or in part, has not been located or satisfied, either for want of specific location prior to such confirmation, or for any reason whatsoever, other than a discovery of fraud in such claim subsequent to such confirmation, it shall be the duty of the Surveyor General of the district in which such claim was situated, upon satisfactory proof that such claim has been so confirmed, and that the same, in whole or in part, remains unsatisfied, to issue to the claimant, or his legal representatives, a certificate of location for a quantity of land equal to that so confirmed and unsatisfied; which certificate may be located upon any of the public lands of the United States subject to sale at private entry at a price not exceeding one dollar and twenty five cents per acre. Provided, That such location shall conform to legal divisions and subdivisions;" and whereas it appears that the Surveyor General of Illinois and Missouri has issued his Certificate No. 226, for six thousand and two acres and fifty hundredths of an acre, in satisfaction of the claim of Paschal Detchmندی, entered as No. 309 (first class, but excepted in the confirmatory Act of July, 4th, 1856) in the report dated September, 30th, 1855, of the Board of Commissioners under the Acts of Congress of July 9th, 1832, and March 2d, 1833; and confirmed by the first section of the aforesaid Act of Congress of June 2d, 1858; and it appearing from Certificate No. 4 of the Register of the Land Office at Junction City, Kansas, which has been deposited in the General Land Office, that in virtue of Certificate No. 226 T. T. T. of the Surveyor General aforesaid, there has been located the following described tract of land, being in part satisfaction of the aforesaid claim of Paschal Detchmندی, to-wit: The South East Quarter of the North East quarter and the North East Quarter of the South East Quarter of Section ten, in Township thirteen south, of Range Two East, containing Eighty acres, according to the Official plat of the Survey of the said lands returned to the General Land Office by the Surveyor General.

Now Know Ye, That the United States of America, in consideration of the premises and pursuant to the provisions of the Act of Congress aforesaid of June 2d, 1858, Have Given and Granted, and by these presents, DO Give and Grant, unto the said Paschal Detchmندی, or his legal representatives, the tract of land above described: TO have and TO hold the said tract, with the appurtenances, unto the said Paschal Detchmندی, Or his legal representatives, and to his Or their heirs and assigns, forever:

Rev. Weidler Home From Reformed Session at Ft. Wayne, Ind.

Rev. C. J. Weidler has returned after spending a week in Ft. Wayne, Ind., where he attended sessions of the Synod of the Mid-west Reformed Church. An interesting meeting was reported by Rev. Weidler.

Dr. E. G. Homrighausen, pastor of the Carrolton Avenue Reformed Church at Indianapolis was elected president of the Synod of the Mid-west and Freeport, Ill. was chosen as the 1932 convention city.

Among the interesting speakers was Dr. Charles E. Schaffer of Philadelphia, Pa., president of the general synod and head of the Reformed Church in this country. He made an eloquent plea for a return to a deeper and richer spirituality in which God and not man is the center. His theme was, "The Deepening of the Spiritual Life."

McBrides Transform A Beauty

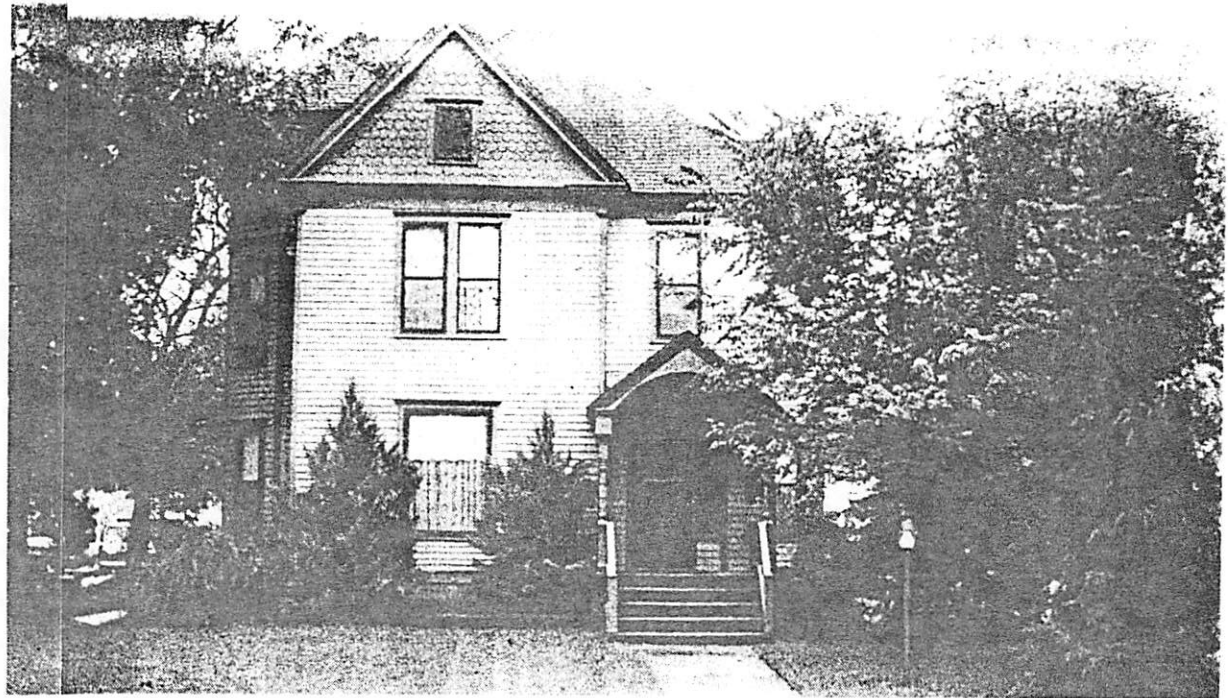

The house at 913 N.W. Third has undergone an amazing transformation since its purchase in 1981 by Donald and Diana McBride. The house, pictured in the 1887 book *Abilene A Gem*, was built in 1886 by Theo Moser, cashier at the First National Bank in early Abilene. The house was "modernized" in the late 1920s and converted into apartments in the 1940s. The McBrides had to reconstruct much of the interior trim that had been removed or destroyed during the previous remodelings.

The beautiful stained glass in the entry way had somehow survived the wrecking bar and is still intact in its original location. The staircase trim, banister, newel post and all of the woodwork in the entry here had to be reconstructed, using other homes from the same period as a guide. The rosy-rust color scheme and hardwood floor gives a warm welcome to this very beautiful home.

The woodwork in the front room has also been reconstructed, using wainscoting and built-in bookcases to give the room its new identity as the McBride library. French doors were installed between the library and living room to replace the sliding pocket doors that had been removed. The navy blue color scheme and lace curtains compliment the natural woodwork and period furnishings.

The living room fireplace had been plastered over, necessitating a trip to the Old Theatre Architectural Salvage in Westport, Mo., to look for a replacement. The rich rust wallpaper, navy pin-dot upholstered fainting couch and

TRANSFORMATION — An amazing accomplishment was the transformation of this home from apartments after it had been constructed as a banker's home. The house, pictured here, also appeared pic-

turesque in originality, appearing on Page 8, of this issue. It is now the home of Donald and Diana McBride, at 913 N.W. Third

graceful bay window combine to make a very appealing formal room.

The adjoining dining room, which has a rust and brown color scheme, has hardwood floors, a color co-ordinated oriental rug and ruffled tie-back curtains. The adjoining guest bath once served as the butler's pantry.

The combination kitchen/family room is decorated with crafts and collectibles. It has an adjoining deck that expands the living area in good weather. The kitchen has ample counter space and a family eating area.

The master bedroom color scheme is picked up from a very lovely fan quilt that was made by Diana McBride. She also made the unique ruffled curtains. The quilt looks lovely on the tall walnut bedstead that was purchased at a local sale. French doors connect the master bedroom to the upstairs sitting room. This room has a deep teal blue and rose color scheme. The victorian overstuffed sofa and chair look right at home in this outstanding room. (It will soon be serving double duty as a nursery for the baby that the McBrides expect in March!) The adjoining

laundry room was created from space once occupied by a porch.

Jarod McBride's room has sturdy boy-proof bunk beds and chests with a rust and cream color scheme. Jarod will be nine on the day of the tour, and will be on hand to answer any questions you may have about his room.

The upstairs bathroom has a tiny 4½-foot claw-foot tub on a raised platform, necessitated when the back staircase was uncovered and made usable. The floor had to be raised to accommodate the needed headroom in the stairway. The mauve, grey and white color scheme is very pleasing to the eye.

Tabor Anne's room is fit for a queen, or at least a princess! It has a very beautiful and ornate high bedstead and matching chest from the Esther Barber estate. Tabor is six and will be a very charming hostess.

Don McBride is a territory manager for Ross Laboratories and Diana is a teacher of business related courses at Abilene High School. Their commitment to reclaiming one of Abilene's finest old homes is commendable. In return, it is providing their growing family a beautiful and spacious home.
